I asked ATSDR to obtain any the blood lead data that CDPHE has for Silverton. I will share the data as soon as I get it. It should take 1 - 2 weeks to get the data.

When: Wednesday, March 19, 2014 8:00 AM-9:30 AM (UTC-07:00) Mountain Time (US & Canada).
Where: Timberline room, 2nd Floor Conf. Center
Importance: High

CLARIFICATION: The meeting will be from 8:00 to 9:30 AM. There were no conference rooms later in the AM and we couldn't meet after 11:30 b/c of the Enforcement group's luncheon for their retirees.

I just switched the time on March 19th from 8:00 AM to 9:30 AM because there isn't a conference room to be had any later in the AM without running past 11:30 am when the enforcement group is heading out to lunch.

This is a follow-up meeting to our discussion this AM on where we are going with the Upper Animas site. I will let Martin H know that we are still formulating the "grand plan". I know that Victor has a conflict at least for part of this time but I am hoping we can meet at this time/day because Richard will be back.

Please let me know if this time works for you - at least partially.

Thank you and thanks for meeting during the lunch hour today.
